

## PUBLIC WORKS NEWS BRIEFS

The City repaved Magnolia Street from Pacific Coast Highway to Atlanta Avenue with a two-inch rubberized asphalt concrete (RAC) surface which contains crumb rubber derived from scrap tires. The project diverted more than 14,000 waste tires, that otherwise would end up in a landfill.

### City of Huntington Beach Public Works Department CC-1341 Magnolia Street Rehabilitation Project from Pacific Coast Highway to Atlanta Avenue

Funded by a Grant from:

## CalRecycle

## California Department of Resources, Recycling and Recovery

### This Project Repaved a City Street with Rubberized Asphalt Concrete and diverted over 14,000 Waste Tires from California's Landfills

## September 2009
